## Bio

Established in late 2013, Kind Dub brings a unique voice to the Colorado underground music scene. Through a relentless work ethic, and undeniable dedication to making impactful music accompanied by powerful live performances, Kind Dub encompasses much more than music. Kind Dub always goes the extra mile to assist fellow artists with their creative agency in Fort Collins, helping two independent Colorado labels win music video awards in 2018. Kind Dub enjoys their live performances most to connect with new audiences, playing more than 20 festivals and closing in on 200 live shows, including almost two dozen out-of-state venues spanning from New York to California. They self-produce a one-of-a-kind sound combined with thought-provoking lyrics, which keeps the crowd groovin' & moving towards a better tomorrow.

Kind Dub has earned stages with some of their favorite national touring artists including People Under The Stairs, Hieroglyphics, Chali 2na, Living Legends, Zion-I, Grouch & Eligh, Pharoahe Monch, Bone Thugs & Harmony, Immortal Technique, Nappy Roots, Rhymesayers, Masta Ace and many more. Kind Dub plans to pursue new festivals, explore untapped markets, and see more cross-country touring in 2019. Kind Dub is honored to have performed at many of Colorado's iconic venues including Red Rocks Amphitheatre, The Mishawaka, Fillmore Auditorium, Aggie Theatre, Levitt Pavilion, Cervantes' Masterpiece, The Fox Theatre, Animas City Theatre, The Black Sheep and more.
